MOTION TO SET ASIDE

I Kevin Lawrence come before this court via written correspondence asking that a the default judgement that was issued against my company LILLY MANAGEMENT AND MARKETING be set aside due to the fact that I was never issued any notice of such proceeding. I have been away from my office and home dealing with a terminally ill family member and have just recently been made aware of this issue. I am now back in my office as well as my home. I will be attaching a response to what I believe is Mr. Cunningham's complaint. I have had both telephone and email correspondence with Mr. Cunningham in the past concerning him trying to get Money from me accusing me of making a phone call that never existed.

I ask the court to please give me the opportunity to be heard and apologize for not being able to address this issue in the time that was ask. But, as I explained I was away from my home and office since mid January.

Kevin Lawrence
